General Notes:

- a) Livewell checks may be performed prior to boats being launched at the top of the ramp; please have your live wells open for inspection.
- b) Personal Floatation Devices (PFD) must be worn any time main engine is operating with kill switch lanyard secured to the driver. This includes when any competitor is debarking or embarking from the boat if the engine is running. **Each competitor is required to provide their own PFD.**
- c) Contact tournament director promptly with any cancellations or changes.
- d) Once the scales are open, the Tournament Director shall distribute the 6-8 official weigh-in bags to teams. These bags are used to regulate the length of the line at the scales, in order to help the health of the fish. After the team weighs in, they are to **use a team's personal bag to transport the fish to the lake**. The official bags are given to the next team in line. Teams must use a numbered official club bag to bring their fish to the scales. After weigh-in all the fish will be placed back into the angler's personal bag containing water for return to the lake by the angler.
- e) Don't crowd Weights Recorder or White Board Recorder in the results area.
