Fishing Teams:

- a) Make sure to agree on how to split pots/winnings prior to start of tournament – especially 5 lb pot.
- b) Co-Angler, make sure you contact your boater well in advance of tournament day to make fishing arrangements.
- c) Co-Angler, make sure to pay your boater prior to start of tournament.

General Notes:

- a) Livewell checks will be performed prior to boats being launched, at the top of the ramp; please have your live wells open for inspection.
- b) Tournament start will be an "ooze-off" start with safe spacing between boats. If you are fishing inside of the No Wake area, you must still start the tournament by idling out pass the Start Boat in numerical order. You must pass within two boat lengths of the start boat when your number is called. If a boat number is called to start and is delayed getting to the front of the pack, the next boat in sequence will be allowed to "kick" and the late boat will be inserted in the start line when he reaches the start boat. Launch flights will be separated into two groups and separated from each other.
- c) Personal Floatation Devices (PFD) must be worn any time main engine is operating with kill switch lanyard secured to the driver. This includes when any competitor is debarking or embarking from the boat if the engine is running.
- d) **Each competitor is required to provide their own PFD.**
- e) If you need help launching ask a member or the tournament director prior to the launch.
- f) Contact tournament director promptly with any cancellations or changes.
- g) Make sure your vehicle is properly permitted.
- h) Do not block the ramp with vehicles. Do not park in a "handicapped" space unless you have the proper decal on your vehicle.
- i) Once the scales are open, the Tournament Director shall distribute the 6-8 official weigh-in bags to teams. These bags are used to regulate the length of the line at the scales, in order to help the health of the fish. After the team weighs in, they are to **use a team's personal bag to transport the fish to the lake**. The official bags are given to the next team in line. Teams must use a numbered official club bag to bring their fish to the scales. After weigh-in all the fish will be placed back into the angler's personal bag containing water for return to the lake.
