You must pass within two boat lengths of the start boat when your number is called. If a boat number is called to start and is delayed getting to the front of the pack, the next boat in sequence will be allowed to "kick" and the late boat will be inserted in the start line when he reaches the start boat.
- c) Personal Floatation Devices (PFD) must be worn any time main engine is operating with kill switch lanyard secured to the driver. This includes when the Co-Angler is debarking or embarking from the boat if the engine is running. **Each competitor is required to provide their own PFD.**
- d) If you need help launching ask a member or the tournament director prior to the launch.
- e) Please contact tournament director promptly with any cancellations or changes.
- f) Make sure your vehicle is properly permitted.
