- b) Co-Angler, make sure to pay your boater prior to start of tournament.

**General Notes:**

- a) Livewell checks will be performed prior to boats being launched, at the top of the ramp; please have your live wells open for inspection.
- b) Personal Floatation Devices (PFD) must be worn any time main engine is operating with kill switch lanyard secured to the driver. This includes when any competitor is debarking or embarking from the boat if the engine is running. **Each competitor is required to provide their own PFD.**
- c) Contact tournament director promptly with any cancellations or changes.
- d) Once the scales are open, the Tournament Director shall distribute the 6-8 official weigh-in bags to teams. These bags are used to regulate the length of the line at the scales, in order to help the health of the fish. After the team weighs in, they are to **use a team's personal bag to transport the fish to the lake**. The official bags are given to the next team in line. Teams must use a numbered official club bag to bring their fish to the scales. After weigh-in all the fish will be placed back into the angler's personal bag containing water for return to the lake by the angler.

**Midweek Bass Anglers Covid-19 Tournament Protocols**

- a) Safe distance is 6 feet. Maintain safe distance from others before and after the tournament. The orange cones in the line to the scales are 6 feet apart.
- b) Wear face masks in the parking lot before and after a tournament.
- c) **Don't crowd Weighs Recorder or White Board Recorder in the results area. Safe distance is 6 feet.**
- d) Do not fish if sick or quarantined.
- e) Close Contact – You are considered in close contact if you have been within 6 feet of a person infected with COVID-19 for a cumulative total of 15 minutes or more for a period starting from 2 days before illness onset in that person. Do not fish a Midweek Tournament because you can spread the virus before you begin to show symptoms. You should isolate yourself from others or get tested to make sure you are not infected.
